LAPTOP STAND

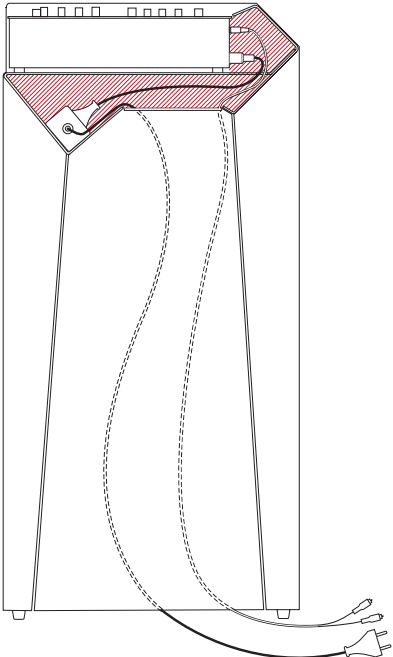

The easy-to-install laptop-stand can hold up to a 15" screen laptop. Depth 255 mm, Width 435 mm

The aluminium track allows you to slide your laptop-stand into the ideal position. Anti-slide rubber fittings keep your laptop in place.

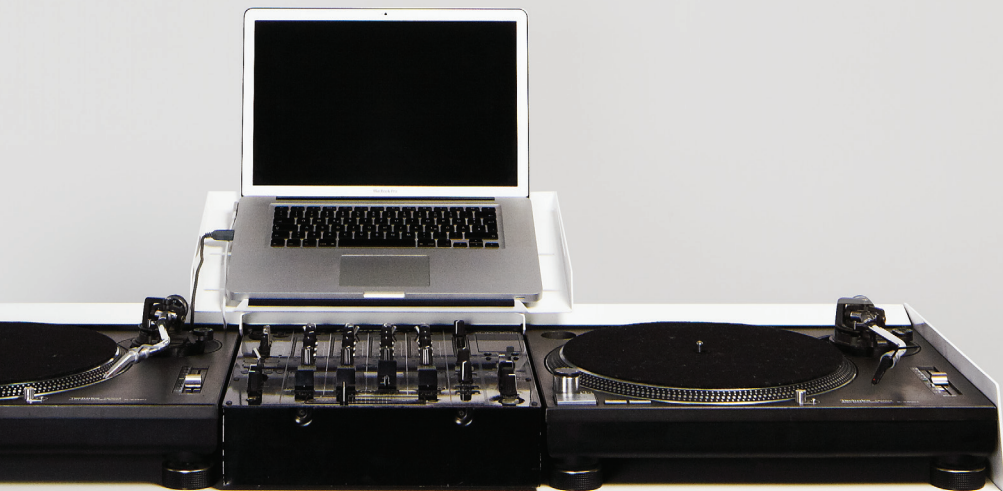

WIRE CHANNEL

All leads, connections, plug-boards and Power-Supply Units can be concealed underneath desktop and behind detachable leg panels.

Three holes allow cables to be fed through to hollow legs.
